

**What your certificate does not include:** Taxes, port charges, fuel surcharges, cruise line imposed surcharges and agency fees. However, don't worry! Your tax deposit covers these things, and you will not be asked to pay anything additional if the taxes, fees and other charges exceed \$438. You will be responsible for extras such as parking, transportation (other than the cruise itself), phone calls, gratuities, or entertainment on the ship that is not free.

**So what is the catch?** There really is no catch as long as you follow these instructions. We do realize that things can happen in life, but if you are not able to follow these instructions (even if it is not your fault), we are not going to be able to send you on your cruise. We are not able to make any reschedules once we have selected your sailing date. We cannot change you or your traveling companion's names. You can't buy or sell this certificate. You can't combine this certificate with any other certificate, discount or special promotion. We do not make exceptions or special arrangements for any reason.

*And that's it... Happy cruising!!!!*

## What does this certificate include?

You and your traveling companion will receive a eight day/seven night night cruise to your choice of the Southern Caribbean, Western Caribbean or Mexico. If you choose the Southern Caribbean you will depart from San Juan, PR. If you choose the Western Caribbean you will depart from Miami, FL. If you choose Mexico you will depart from Long Beach, CA. Because this is a promotional cruise, rooms are interior and located on the lower decks.

## How to get your cruise

- 1 Pay your activation deposit:** Once we receive your certificate, we will mail you deposit request letter that you simply have to sign and mail back to us with your \$100 activation deposit. This will be applied towards your tax deposit later or fully refundable if you decide not to make a reservation. You can pay the activation deposit with a personal check, cashier's check, or money order.
- 2 Make your reservation:** After we receive your deposit, we will mail you your reservation letter with instructions to call our customer service department at 1-800-315-2065 so you can make your reservation. The reservation letter will have an expiration date one year from the date we print and mail it to you.

We will help you find three sailing dates that are at least 60 days away and 30 days apart. Your sailing dates must be before your expiration date and not during weeks with major US holidays including Christmas, New Years, Independence Day, Labor Day, Presidents Day, and Thanksgiving. We recommend you call at least seven months before your expiration date. If you follow these simple rules about making your reservation, we guarantee that one of your three dates will be selected!!!!

- 3 Confirm your sailing date:** After you request your three sailing dates, we will send you a confirmation letter with one of your selected dates. The taxes, fees and other charges are approximately \$295 per person (\$590 total) but since we are going to apply your activation deposit to your tax deposit, you only need to pay an additional \$490 with a personal check, cashier's check, or money order. Just sign the letter and mail it back with your payment. Make sure it is postmarked by the deadline!
- 4 Talk to your travel rep:** After you confirm your sailing date, we will call you to go over all the last minute details. During this call, you can buy an upgrade to an ocean view stateroom on a higher deck if they are available (they are almost always available). During this call you can also cancel your sailing date and receive a full refund of your deposit, or you can trade in the cruise for a hotel stay in an exciting destination like Las Vegas or Orlando.

After you finalize everything with your travel rep, we will book and pay for your cruise. Once your cruise has been paid for, we will not be able to guarantee you a full refund if you need to cancel. If you do need to cancel, call us anyway because we might be able to give a partial or sometimes even a full refund.

- 5 Enjoy your cruise!!!!** Your travel package will be mailed at least 14 days prior to your sailing date. Your travel package will include your cruise itinerary. If we do not use your entire tax deposit, we will also include a check for the unused portion in your travel package.
